

Learning News

Sachar Year 6 Summer 1 2021

Foundation Subjects

Our new class topic is half term is The Victorians. We will be looking at the whole era and studying Queen Victoria as well as what life was like for children. We will be studying the inventions created during that time period.

In science our topic is about materials and their properties. We will be carrying out investigations and looking at how to separate materials as well as which materials dissolve and which don't.

In DT we will be looking at baking scones. We will be designing our own creations of scones and then evaluating them.

English

In Literacy we will be looking at Grimms' Tales and our story will be Little Red Riding Hood.

We will be writing setting and character descriptions. We will also be writing persuasive letters and using other versions of the story to help us with this.

Towards the end of the half term we will be looking at newspapers reports and writing our own fairy tale based on Little Red Riding Hood.

Maths

In Maths we will be looking at some of the previous areas of learning taught through lockdown.

The first 4 weeks we are looking at fractions, decimals and percentage and problems solving.

We will then be looking at coordinates and translations of shapes.

Finally we will be studying areas of compound shapes, parallelograms and triangles.

Reminders

Please make sure your child brings their book bag into school **every day**. Please share their reading book with them, as **10-15 minutes** of reading **every day** at home can make a lot of difference to your child's reading ability.

Please support your child's learning by helping them with their weekly HOME LEARNING TASKS. These will be set on a Monday for the week. Your child will also have a Topic Project set each half term.

Your support at home really helps your child.
