#### In Science we are learning... Nutrition and Diet

- To know there are 6 main food groups animals need to stay healthy.
- To know which foods are rich in which nutrients.
- To understand the importance of each nutrient.

## Year 3 Weekly Home Learning Tasks

### READING

Please share your child's reading book with them, as **10-15 minutes** of reading **every day** at home can make a lot of difference to your child's reading ability.

Your child **MUST** bring their book bag into school **every day** so an adult can read with them on their reading day, and any extra days if there is an opportunity.

Each child will have a reading book, and an extra book from the class library.

### MATHS

Each child has received a copy of multiplications to 12. Please use this to work with your child so they become more confident with their times table knowledge.

### Swimming

The children will continue to go swimming weekly.

## Year 3 Half Term Learning Project

Due back on  
**Wednesday 8th May**
