Be Proud

This week we have been focussing on the school rule 'Be Proud'. In my assembly we read the story 'The Dot' by Peter H Reynolds which is about self- confidence, perseverance and having a sense of pride.

We thought of ways we could be proud of ourselves such as:

- having good attendance and punctuality
- receiving recognition for our achievements
- wearing Greenfield uniform with pride
- representing our school community well
- never giving up- our 'inner coach'
- being the best we can be!

Article of the Week

The children learned that Governments must actively work to make sure that children and adults know about the Convention. This is important so that everyone knows about children's rights and takes them seriously.

REMINDERS

Next week we have our Year 1, Year 2 and Year 4 parent workshops. Please make sure you attend as we really value your support. The class teachers have sent out letters with dates and times. Thank you to parents that came to our Reception play and stay.

SUPERSTAR LEARNERS OF THE WEEK

These children have impressed their teachers this week with their **dedication and super attitude to their learning!**

Nursery- (Rosen)	Iqra- for trying her best to answer questions about the story!
