British Values

This half term my assemblies will be focussing on British Values which are 5 important values for all children to learn. Each week we will look at a different value in more detail.

Rule of Law

We talked about how all families, schools and countries need rules to make sure we are all treated fairly. At Greenfield our school rules are:

- Be Happy
- Be Proud
- Be Respectful
- Be Curious
- Be Safe

School Spider

From now on you will **no longer receive text messages** from school so it is vital that you have downloaded School Spider. On this app you can:

- Book parents' evenings
- Complete online surveys and forms (these could include school trip/club bookings)
- Receive messages from the school (app only)

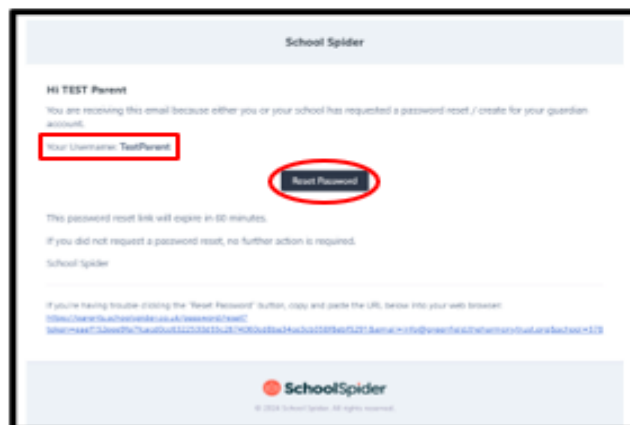

You will receive an email when there is something you need to complete and if you are logged into the app, you will also receive a pop-up notification. If you do not download the app and activate your account, you will **not** be able to receive communication.

Please ensure that once you have logged in, you have the **School Spider notifications turned on.**

Activating your School Spider Account

If you are new to the School Spider app:

1. Download the FREE School Spider App (that looks like the icon on the right).
2. Click "Create Account".
3. Input the email address we have on file for your child(ren).
4. You should receive an email from School Spider asking you to reset or create a password.
5. You will need to click on the link, create and confirm your new password. Their password must include an upper- and lower-case letter, a number, and a character.
6. Once the password has been reset, you need to log in to the School Spider app using the username (which is on the email you received from School Spider), password and the school's name.

To the right is a screenshot of the email from School Spider to reset your password.

Turning Notifications On

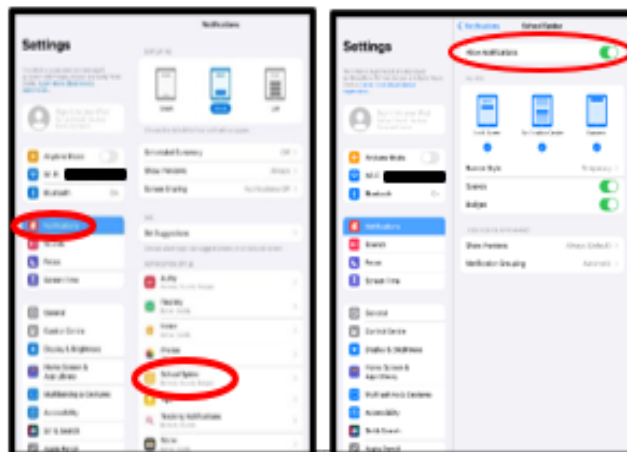

1. Go to "Settings"
2. Select "Notifications"

On an Android device:

3. Select "App notifications"
4. Select "School Spider" so that the toggle is not grey.

On an Apple device:

3. Under "Notification Style", select School Spider.
4. If it is not already, please select "Allow Notifications" so that the toggle is green.

If you are having any difficulties, we are happy to help you at the Main Office, thank you.
