WELCOME BACK

I hope you all had a lovely Easter break with family and friends. It has been wonderful to have all the children back in school this week.

We have already had a busy start to the term and I am sure you have noticed some building work around school. This is an excitement development for us at Greenfield and all part of making school an even better place for your children to attend.

You will see that we sent our SEND Unit consultation letter to all parents and stakeholders on Monday- please come and see me if you have any questions.

There are lots of exciting things coming up this term such as our Spring Attendance tea party, Year 4 cornet concert, Phonics workshops, Author events and a 'Harmony Pledge' Curriculum Day. We will let you know any events you can attend in school.

Size of the Problem

In assembly as part of our learning about the Zones of Regulation, we talked about the 'Size of the Problem' and if it is a big problem or a little problem.

Big Problems: problems that many people share and that have no easy, quick, or pleasant solution

Medium Problems: problems some people share that are able to be resolved in an hour to a couple of days

Little Problems: problems that only affect one to two people and can be ignored or solved in a matter of minutes

Breakfast Club

Don't forget you can drop your child off for Breakfast Club at 8.30am. There is also a 'Grab and Go' option from 8.45 which children can enjoy when they arrive.
