

## KSI Home Learning Project Autumn 1

I have really enjoyed getting to know your child in their first week in Year 1 and I am excited about the year ahead.

For our first topic we will be learning all about 'Our Local Area' in our Geography lessons.

To help your child with their learning their first home learning project is to draw a map of your journey from home to school.

You must include symbols of landmarks you pass, roads, labels and a key to explain your symbols.

This can be handed in during this half term and will be worth four stamps in your child's stamp book. I look forward to seeing your marvellous maps.

Thank you for your hard work - Mrs Fogg
